Attend the only industry organised health and safety conference in Western Australia!

EVENT HIGHLIGHTS

- Hear from inspiring keynote speakers addressing the significance of health and safety in changing times and opportunities to learn from past mistakes.
- Attend the two day technical program exploring the latest health and safety developments in the resources industry.
- Listen to presentations on issues such as the mental well-being of FIFO workers, coal workers' pneumoconiosis (black lung), legislation and corporate responsibility.
- Connect, network and collaborate with others from the resources industry.

REGISTRATION

The AusIMM offers a range of registration discounts and opportunities to enable all to attend.
Discounts are available for groups, new professionals, students and others.
